

Loan Request Form

Press, publications and media organisations may borrow up to six pieces of jewellery for one month for use in photoshoots.

Due to hygiene reasons we do not usually loan earrings for pierced ears, except the Swarovski crystal studs for which no clip-on alternative is available.

You are responsible for ensuring the jewellery is returned to us in good condition at the end of the month. A return label will be included (and stamps for British publications only).

We would be very grateful if you could send us a copy of any articles in which our products have been included.
